② Register

A hand-drawn sketch of a mobile application interface for a registration screen. The screen is enclosed in a rounded rectangle with a notch at the top. At the top left is a hamburger menu icon (three horizontal lines), and at the top right is the word "Home". Below the header, the title "Register An Account" is centered. Under the title is a simple line drawing of a person's head and shoulders. Below the profile icon are four input fields, each with a label above it: "Company Code" (with the text "Company ID (03)" written in red inside the field), "Name", "Email", and "Phone Number". Below these fields is the text "etc." followed by a "register" button. A line points from the "register" button to the text "#899878" and "Text: F7F7F2" written below the screen.

⑦ Add / Edit Product

A hand-drawn sketch of a mobile application screen for adding or editing a product. The screen has a rounded rectangular shape with a notch at the top. At the top left is a hamburger menu icon (three horizontal lines), and at the top right is a small square icon with diagonal lines. The main title 'Add Product' is centered below the top bar. Below the title is a placeholder for a product image, represented by a rectangle with a wavy line and a small circle. Below the image placeholder are four input fields: 'Product Code' (a single-line text box), 'Name' (a single-line text box), 'Price' (a single-line text box with 'RM' written inside), and 'Description' (a multi-line text area). Below these fields are two more input fields: 'Starting Stock' (a single-line text box) and 'Type' (a single-line text box). At the bottom center is a 'SAVE' button. A line points from the 'Price' field to a note on the right, and another line points from the 'SAVE' button to a note at the bottom right.

Add Sales

A hand-drawn sketch of a mobile application screen titled "Add Sale". The screen features a header bar with a hamburger menu icon on the left and a status bar icon on the right. Below the header, the title "Add Sale" is centered. The form includes a "Date/Time" section with a dropdown menu showing "Now" and a calendar icon. Below this is a "Customer" field with a circular icon and a text input box. The "Products" section has a list of items: "Kariap + 1 - 10" and "Bawang + 2 - 5". At the bottom, there are fields for "Delivery Cost" and "Total Price", followed by a "Save" button.

16) Add Customer

A hand-drawn sketch of a mobile application interface for adding a customer. The screen is titled "Add Customer". It features a series of input fields for "Name", "IC/IO", "Gender" (with a dropdown menu showing "Male" and "Female"), "Email", "Phone Number", and "Address". Below the "Address" field is a "Shipping Address" field. At the bottom of the form is a "SAVE" button. A line points from the "SAVE" button to the text "Go to 14) View Customer".
